SALE AND RENTAL OF EQUIPMENT TO STUDENTS

~~Opportunity shall be provided to all responsible vendors to do business with students and their parents. Vendors will be provided equal opportunity to market their products at school sponsored meetings conducted for the purpose of introducing students to musical instruments and other equipment.~~

~~Building principals shall maintain a list of equipment vendors. Vendors must maintain a record of good service, quality product, and competitive prices to maintain listed status.~~

Opportunity shall be provided to all responsible vendors to market to students and their parents, equipment not provided by Morrow County School District.

Building principals shall maintain a list of equipment vendors. Vendors must maintain a record of good service, quality product, and competitive prices to maintain listed status. Schools may issue a RFP (Request for Proposal) to listed vendors. Quality, price and service will be considered before awarding priority to vendors responding to the RFP.
