Good morning, Chuck—

Thank you so much for your second response to the Health/Life Safety report. I am happy that District 152 has remediated the two remaining issues, one @ Sandburg School and the other @ Field School. That's a tribute to your district's diligence. You and your staff are definitely ensuring the safety of everyone who enters your buildings.

If you have any further questions and/or concerns, please feel free to contact me. Have a great day and—as always—take care. . .

Velda
