Resolution

Presenter:

**Ryan L. Tangen, Director
Finance and Operations**

SUGGESTED SCHOOL BOARD ACTION:

Recommend approval of the following resolution:

Resolved to designate Bremer Bank, National Association as an official depository of Independent School District 877 and to authorize Dr. Scott Thielman, Ryan Tangen, and Miranda Kramer to conduct business transactions with Bremer Bank, National Association on behalf of the Independent School District 877.

DESCRIPTION:

We need to update the list of district staff who are authorized to work with the OPEB Trust. We adopted a similar resolution when the Trust was originally established. Due to the changes in staffing since the original resolution adoption, Bremer Bank, National Association would like us to adopt the attached updated resolution naming them as an official depository of the school district and naming Dr. Scott Thielman, Ryan Tangen, and Miranda Kramer as authorized individuals to conduct transactions with the Bremer Bank, National Association on behalf of the school district.
