

BOARD COMMITTEES

The School Board may establish committees of the Board as deemed necessary. The membership of these committees is limited to less than a majority of the whole Board. The Board shall establish written charges for Board committees. When its charges or duties have been completed, the committee shall be dissolved.

The president may be a member of any committee. The Superintendent or designee may serve as an advisor to any committee at the discretion of the Board.

Committees may actively seek input and participation by parents/guardians, staff, community and students, and may consult with local public boards and agencies.

Committees shall act in an advisory capacity, making recommendations to the Board. No committee action shall be binding on the full Board. The Board as a whole shall have the final consideration in all matters.

The board encourages regular committee rotation of board members to give a broader perspective of district relations/business.

Committee meetings are subject to the state open meetings act.
