**Dear Superintendent Sollis:**

**Warm greetings. With this letter the Tri-Ethnic Committee wishes to follow up on the November 1, 2006 letter sent to you, addressing the issue of reopening Ector Junior High as a High School.**

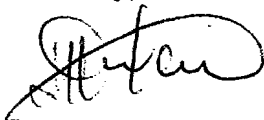

**As mentioned in the previous letter, this item came forth because of its occurrence in the original court order, and since the mission of the Tri-Ethnic Committee is to report to the District and the Court regarding matters set forth in the Court Order, it is within the scope of our charge to revisit it.**

**By copy of this letter, we are requesting that this matter be placed on the agenda for full Board of Trustees consideration and action, and that members of this committee be given an opportunity for presentation of this issue at the next Board meeting.**

**Please respond to this request by contacting Dr. Hadjicostandi in writing as soon as possible.**

**We pray that full consideration is given to our request for the benefit of the youth of our District.**

**Sincerely,**

**Joanna Hadjicostandi, Tri-Ethnic Committee Chairperson**
