We started March off with some activities for Dr. Seuss' Birthday. All the classes at Applegate went to see the movie the "Lorax". The kids as well as the adults loved it. It was a great time for all the students to be together. In addition, students worked on writing, additional reading activities and we had a visit from a local author, P.K. Hallinan. He read from his books, talked about how he became an author and also encouraged the students to become a writer and illustrator.

Rotary Student of the Year was March 7th. Sayge Pereira was our 5th grade winner and Rachel Sutton was picked for our middle school student. The kids and parents went to Wild River Pub to receive awards and eat with the Rotary Club. Congratulations to both Sayge and Rachel.

Students in our drama elective presented our school and community with the play, "Acting Can Be Murder". They had an afternoon and evening performance and did a wonderful job. These students as well as the teacher worked hard at memorizing lines, projecting their voices, and speaking clearly. Congratulations to all of you!!
