Purpose of the 2022-2023 Citizens' Advisory Committee

The purpose of the 2022-2023 Citizens' Advisory Committee is to provide facility, equipment and infrastructure recommendations to the Denton ISD Board of Trustees after analyzing a district-wide facilities assessment, enrollment projections, financial data, results of a community survey, and other data relevant in creating and maintaining learning environments that align with the district's mission, vision and goals.

Charge of the Committee

To help the district plan for the future, the Citizens' Advisory Committee is charged to:

- Assess and prioritize the district's current and long-term facility needs, including, but not limited to:
 - District growth and capacity
 - Building age, safety and condition
 - Land acquisition
 - Evolving educational delivery and programs
 - Energy efficiency and sustainable features
- Develop and prioritize potential projects, including new construction, renovations/additions, technology, and other areas that may arise from community input
- Consider the educational needs of all students and align recommendations with the district's mission, vision and goals
- Represent the entire school district community, values and perceptions, and seek input from other residents
- Consider the district's current financial position and funding methods to develop a recommendation that is fiscally sound
- Make a recommendation to the Board of Trustees that addresses the district's growth and facility needs based on the Committee's identified priorities

 - The Committee recognizes that the committee's role is to provide recommendations to the Board of Trustees and that the Board of Trustees has the obligation and responsibility to make decisions regarding tax and bond issues.
- The Committee process will be transparent. All presentations, materials and meeting minutes will be posted online for Committee member use and public consumption.
