Policy Reference	
Strategic Goal	Engagement
Department	Communications

Recommendation:

Information Only

Summary:

Boerne Education Foundation (BEF) will present its Annual Impact Report, highlighting a successful year of community engagement and fundraising in support of every student, every teacher, and every school in Boerne ISD. The report emphasizes BEF's continued focus on transparency, strategic growth, and strengthening community support for district initiatives.

Rationale:

The rationale for the Boerne Education Foundation (BEF) Annual Impact Report presentation at the school board meeting is to provide transparency, celebrate impact, and strengthen alignment between BEF and Boerne ISD. By sharing key achievements, financial outcomes, and strategic priorities, the presentation reinforces BEF's role as a vital partner in advancing educational excellence across the district. It also serves to acknowledge community support and advocate for continued collaboration to meet the growing needs of students and educators.
