Board Meeting Date: April 21, 2026

From: Amy Mahr, Director of Human Resources

Re: WC Petty Assistant Principal 26-27

Attachments: Contract

Agenda Location: Consideration to Approve: Action items

Rationale:

A search began to replace the current Assistant Principal of WC Petty Elementary School after the Board of Education accepted Kristina Franchi's reassignment request at the March 19, 2026, meeting. Each candidate took part in three extensive interviews, during which they had opportunities to showcase their leadership style and experience. A WC Petty interview committee took part in the final interview, and Falilat Boyd rose to the top as an exemplary candidate.

Recommendation/Motion:

The administration recommends that the Board approve Falilat Boyd as Assistant Principal of WC Petty Elementary School for the 26-27 school year.
