**From:** Shawn Pratt, Superintendent  
**Subject:** Central Distribution Center (CDC) Delivery Truck Purchase  
**Date:** April 21, 2025

---

CDC's 2003 International Brand Delivery Truck needs to be replaced due to catastrophic engine and turbo system failures. The district secured pricing for a 2025 International truck with a 26' long box from Southwest International Trucks through the BuyBoard cooperative purchasing contract #723-23 for a total delivery cost of \$135,596.22. Attached please find Southwest International Trucks Proposal for the truck and the box. The CDC utilizes three delivery trucks on a daily basis with a four-truck inventory on hand. The fourth truck is used as a back-up if one truck requires extensive repairs. The fourth truck is also utilized by the Performing Arts and Athletic Departments for equipment delivery at scheduled UIL events.
