Open Gyms Opportunities

Throughout the last two months, we have had several coaches volunteer to host open gyms / camps for their incoming athletes. This allows coaches an opportunity to develop relationships with athletes all while introducing different routines and skills that will be used in the upcoming season. We are really excited to see the hard work start to pay off for our student athletes.

Fall Sports

- With the hiring later in the meeting, we are officially hired up for the fall coaching season.
- On August 5th, we held our fall coaches meeting where we discussed coaching expectations, routines, and schedules.
- We are scheduled to start practices for football, volleyball, cross country and

cheerleading on August 12th.
