~~All suspensions shall be in-school suspensions unless the administration determines, for any student in grades 3 to 6, inclusive, that (1) the student being suspended poses such a danger to persons or property or such a disruption of the educational process that the student shall be excluded from school during the period of suspension, or (2) that an out-of-school suspension is appropriate based on evidence of previous disciplinary problems that have led to suspensions or expulsion of the student and efforts by the administration to address such disciplinary problems through means other than out-of-school suspension or expulsion, including positive support strategies. A student in grades PK-2, inclusive, may be given an out-of-school suspension if it is determined by the administration that such suspension is appropriate based on evidence that the student's conduct on school grounds is of a violent or sexual nature that endangers persons. In addition, a person's duty as a mandated reporter to report suspected child abuse or neglect is not limited by this provision.~~

- ~~1. The administration of each school shall have the authority to invoke suspension for a period of up to ten days or to invoke in-school suspension for a period of up to ten school days of any student for one or more of the reasons stated in paragraph D, above, in accordance with the procedure outlined in this paragraph. Suspensions shall be in-school suspensions unless the administration determines that the student being suspended poses such a danger to persons or property or such a disruption of the educational process that the student shall be excluded from school during the period of suspension. The administration may also consider a student's previous disciplinary problems when deciding whether an out-of-school suspension is warranted, as long as the school previously attempted to address the problems by means other than an out-of-school suspension or an expulsion.~~

The administration is expected to use the guidelines developed and promulgated by the Commissioner of Education to help determine whether a student should receive an in-school or out-of-school suspension.

~~Except in the case of an emergency, as defined in paragraph A, above, a student shall be afforded the opportunity to meet with the administration and to respond to the stated charges prior to the effectuation of any period of suspension or in-school suspension. If, at such a meeting the student denies the stated charges, he/she may at that time present his/her version of the incident(s) upon which the proposed suspension is based. Unless an emergency exists, as that term is defined in paragraph A, no student shall be suspended without an informal hearing by the administration, at which such student shall be informed of the reasons for the disciplinary action and given an opportunity to explain the situation, provided nothing herein shall be construed to prevent a more formal hearing from being held if the circumstances surrounding the incident so require. The administration shall then determine whether suspension or in-school suspension is warranted.~~

~~If an emergency situation exists, the hearing outlined in paragraph G(3) shall be held as soon as possible after the exclusion of the student.~~

~~Prior to conducting any hearing regarding the suspension of a student, an administrator, school counselor or school social worker at the school in which the student is enrolled, shall contact the local homeless education liaison designated by the local or regional board of education for the school district, pursuant to Subtitle B of Title VII of the McKinney-Vento Homeless Assistance Act, 42 USC 11431 et seq., as amended from time to time, to determine whether such student is a homeless child or youth, as defined in 42 USC 11343a, as amended from time to time. If it is determined that such student is a homeless child or youth, the administration shall consider the impact of homelessness on the behavior of the student during the hearing.~~

~~In the case of suspension, the administration shall notify the student's parents and the Superintendent of Schools not later than twenty four (24) hours of the suspension as to the name of the student who has been suspended and the reason therefore. Any student who is suspended shall be given an opportunity to complete any class work including, but not limited to, examinations which such student missed during the period of his/her suspension.~~

~~The administration shall also have the authority to suspend a student from transportation services whose conduct while awaiting or receiving transportation violates the standards set forth in paragraph D, above. The administration shall have the authority to immediately suspend from school any student when an emergency exists as that term is defined in paragraph A, above.~~

~~In determining the length of a suspension period, the administration may receive and consider evidence of past disciplinary problems which have led to removal from a classroom, in-school suspension, or expulsion.~~

### **Out-of-School Suspensions**

~~All suspensions shall be in-school suspensions, except the Board of Education may authorize the administration of schools under its direction to impose an out-of-school suspension on any student.~~

- ~~1.—Grades preschool to two, if during the informal hearing outlined above, the administration:~~
  - ~~a) Determines that an out-of-school suspension is appropriate for such students based on evidence that such student's conduct on school grounds is behavior that causes physical harm;~~
  - ~~b) Requires that such students receive services that are trauma-informed and developmentally appropriate and align with any behavioral intervention plan, individualized education program, or plan pursuant to Section 504 of the Rehabilitation Act of 1973, as amended from time to time, for such student upon such student's return to school immediately following the out-of-school suspension; and~~
  - ~~c) Considers whether to convene a planning and placement team meeting for the purposes of conducting an evaluation to determine whether such student may require special education or related services.~~

~~2. Grades 3–6, inclusive, if, resulting from a due process hearing:~~

- ~~a) The administration determines that the student being suspended poses such danger to persons or property or such disruption of the educational process (as defined above in section E) that the student shall be excluded from school during the period of suspension.~~
- ~~b) The administration determines that an out-of-school suspension is appropriate for such student based on evidence of:~~
  - ~~i. previous disciplinary problems that have led to suspensions or expulsion of such student; and~~
  - ~~ii. efforts by the administration to address such disciplinary problems through means other than out-of-school suspension or expulsion, including positive behavioral support strategies. An in-school suspension may be served in the student's school or any school building under the jurisdiction of the local or regional board of education, as determined by such board.~~

~~An out-of-school suspension shall not exceed ten school days for students in Grades 3–6.~~

~~An out-of-school suspension shall not exceed five school days for children in preschool through Grade 2.~~

Such program shall be at no expense to the student or his/her parents/guardians.~~

### **General provisions:**

~~No student shall be suspended more than ten times or a total of fifty (50) days in one school year, whichever results in fewer days of exclusion, unless a hearing **as provided in paragraph H(5)** is first granted pursuant to sub sections 4-176e to 4-180a, inclusive, section 4-181a, and as outlined in section I below.~~

~~For any student expelled for the first time and who has never been suspended, except for a student who has been expelled based on possession of a firearm or deadly weapon, the Board of Education may shorten the length of or waive the expulsion period if the student successfully completes a Board specified program and meets any other conditions required by the Board. Such Board specified program shall not require the student or the parent/guardian of such student to pay for participation in the program.~~

~~Prior to conducting formal hearing, as required by PA 25-93 Section 38 subsection 3, an administrator,~~

An attorney or other advocate may represent the student subject to expulsion proceedings. Findings of fact made by the Board after an expulsion hearing shall be based exclusively upon the evidence adduced at the hearing.~~
- h. ~~Decisions shall be in writing if adverse to the student and shall include findings of fact and conclusions necessary for the decision. Findings of fact made by the Board after an expulsion hearing shall be based exclusively upon the evidence adduced at the hearing.~~

## **~~J. Expunging Records~~**

### **~~Suspension:~~**

~~Whenever a student is suspended pursuant to the provisions of this section, notice of the suspension and the conduct for which the student was suspended shall be included on the student's cumulative educational record.~~

~~Such notice shall be expunged from the cumulative educational record by the local or regional board of education if a student graduates from high school, or in the case of a suspension of a student for which the length of the suspension period is shortened or the suspension period is waived pursuant to subsection (e) of this section, such notice shall be expunged from the cumulative educational record by the local or regional board of education (1) if the student graduates from high school, or (2) if the administration so chooses, at the time the student completes the administration-specified program and meets any other conditions required by the administration pursuant to subsection (e) of Sec. 10-233d., whichever is earlier.~~

## **Expulsion:**

~~Whenever a student is expelled, notice of the expulsion and the conduct for which the student was expelled shall be included in the student's cumulative educational record.   - ~~b) such student has demonstrated to such board that the conduct and behavior of such student in the years following such expulsion warrants an expungement. The board of education, in determining whether to expunge such notice, may receive and consider evidence of any subsequent disciplinary problems that have led to removal from a classroom, suspension or expulsion of such student.~~

## **K. Notification**

- ~~1. All students and parents within the jurisdiction of the Board of Education shall be informed, annually, of Board Policy governing student conduct by the delivery to each said student of a written copy of said Board Policy.~~

## **L. Stipulated Agreements**

~~In lieu of the procedures used in this section, the Administration and the parents (or legal guardians) of a student facing expulsion may choose to enter into a Joint Stipulation of the Facts and a Joint Recommendation to the Board concerning the length and conditions of expulsion. Such Joint Stipulation and Recommendation shall include language indicating that the parents (or legal guardians) understand their right to have an expulsion hearing held pursuant to these procedures, and language indicating that the Board, in its discretion, has the right to accept or reject the Joint Stipulation of Facts and Recommendation.~~

~~If the Board rejects either the Joint Stipulation of Facts or the Recommendation, an expulsion hearing shall be held pursuant to the procedures outlined herein. If the Student is eighteen years of age or older, the student shall have the authority to enter into a Joint Stipulation and Recommendation on his or her own behalf.~~

~~If the parties agree on the facts, but not on the disciplinary recommendation, the Administration and the~~

~~parents (or legal guardians) of a student facing expulsion may also choose to enter into a Joint Stipulation of the Facts and submit only the Stipulation of the Facts to the Board in lieu of holding the first part of the hearing, as described above. Such Joint Stipulation shall include language indicating that the parents understand their right to have a hearing to determine whether the student engaged in the alleged misconduct and that the Board, in its discretion, has the right to accept or reject the Joint Stipulation of Facts. #### **~~M. Students identified as eligible for services under the Individuals with Disabilities Education Act ("IDEA")~~**

**~~If the Board of Education expels a student who has been identified as eligible for services under the Individuals with Disabilities Education Act ("IDEA"), it shall off an alternative educational opportunity to such student in accordance with the requirements of IDEA, as it may be amended from time to time.~~**

#### **~~J. Students with Disabilities~~**

~~A special education student's IEP and/or 504 disability shall be considered before making a decision to suspend. A student with disabilities may be suspended for up to ten school days in a school year without the need for the district to provide any educational services. A disabled student may be additionally removed (suspended) for up to ten school days at a time for separate acts of misconduct as long as the removals do not constitute a pattern. During any subsequent suspension of ten days or less of a student with disabilities, the district shall provide services to the disabled student to the extent determined necessary to enable the student to appropriately advance in the general education curriculum and toward achieving his/her IEP goals. In cases involving removals for ten days or less, school personnel (school administration), in consultation with the child's special education teacher, shall make the service determination.~~

~~If the disabled student's suspensions beyond ten school days in a school year constitute a pattern because of factors such as the length of each removal, the total amount of time the child is removed and the proximity of the removals to one another, the IEP team (PPT) shall conduct a manifestation determination. Meetings of a student's IEP team (PPT) are required to develop a behavioral assessment plan or to review and modify as necessary one previously developed when the disabled student has been removed (suspended) from his/her current placement for more than ten school days in a school year and when commencing a removal (suspension) that constitutes a change in placement.~~

~~Whenever a student is suspended, notice of the suspension and the conduct for which the student was suspended shall be included on the student's cumulative educational record. Such notice shall be expunged from the record by the Board if the student graduates from high school.~~

#### **~~N. Procedures Governing Suspension and Expulsion of Students Identified as Eligible for Services under the Individuals with Disabilities Education Act ("IDEA")~~**

##### **~~1. Suspension of IDEA students~~**

~~Notwithstanding the foregoing, if the Administration suspends a student identified as eligible for services students who have been identified as having one or more disabilities under the IDEA and/or Section 504 of the Rehabilitation Act (a "student with disabilities") (an "IDEA student") who has violated any rule or code of conduct of the school district that applies to all students the following procedures shall apply:~~

- ~~a. The administration shall make reasonable attempts to immediately notify the parents of the student of the decision to suspend on the date on which the decision to suspend was made, and a copy of the special education procedural safeguards must either be hand delivered or sent by mail to the parents on the date that the decision to suspend was made.~~
- ~~b. During the period of suspension, the school district is not required to provide any educational services to the IDEA student beyond that which is provided to all students suspended by the school district.~~

##### **~~2. Expulsion and Suspensions that Constitute Changes in Placement for IDEA Students~~**

~~Notwithstanding any provision to the contrary, if the administration recommends for expulsion an IDEA student who has violated any rule or code of conduct of the school district that applies to all students, the procedures described in this section shall apply. The procedures described in this section shall also apply to students whom the administration has suspended in a manner that is considered under the IDEA, as it may be amended from time to time, to be a change in placement:~~

- ~~a. The parents of the student must be notified of the decision to recommend for expulsion (or to suspend if a change in placement) on the date on which the decision to suspend was made, and a copy of the special education procedural safeguards must either be hand delivered or sent by mail to the parents on the date that the decision to recommend for expulsion (or to suspend if a change in placement) was made.~~
- ~~b. The school district shall immediately convene the student's planning and placement team ("PPT"), but in no case later than ten (10) school days after the recommendation for expulsion or the suspension that constitutes a change in placement was made.~~

~~The student's PPT shall consider the relationship between the student's disability and the behavior that led to the recommendation for expulsion or suspension, which constitutes a change in placement, in order to determine whether the student's behavior was a manifestation of his/her disability.~~

- ~~c. If the student's PPT finds that the behavior was a manifestation of the student's disability, the Administration shall not proceed with the recommendation for expulsion or the suspension that constitutes a change in placement.~~
- ~~d. If the student's PPT finds that the behavior was not a manifestation of the student's disability, the Administration may proceed with the recommended expulsion or suspension that constitutes a change in placement.~~
- ~~e. During any period of expulsion or suspension of greater than ten (10) days per school year, the Administration shall provide the student with an alternative education program in accordance with the provisions of the IDEA.~~
- ~~f. When determining whether to recommend an expulsion or a suspension that constitutes a change in placement, the building administrator (or his or her designee) should consider the nature of the misconduct and any relevant educational records of the student.~~

### **~~3. Transfer of IDEA Students for Certain Offenses:~~**

~~School personnel may transfer an IDEA student to an appropriate interim alternative educational setting for not more than forty-five (45) school days if the student:~~

- ~~a. Was in possession of a dangerous weapon, as defined in 18 U.S.C. 930(g)(2), as amended from time to time, on school grounds or at a school sponsored activity, or~~
- ~~b. Knowingly possessed or used illegal drugs or sold or solicited the sale of a controlled substance while at school or at a school sponsored activity; or~~
- ~~c. Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function.~~

~~The following definitions shall be used for this subsection XII. C.~~

- ~~a. Dangerous weapon means a weapon, device, instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of, causing death or serious bodily injury, except that such term does not include a pocketknife with a blade of less than 2.5 inches in length.~~
- ~~b. Controlled substance means a drug or other substance identified under schedules I, II, III, IV, or V in section 202(c) of the Controlled Substances Act, 21 U.S.C. 812(c).~~
- ~~c. Illegal drug means a controlled substance but does not include a substance that is legally possessed or used under the supervision of a licensed health care professional or that is legally possessed or used under any other authority under the Controlled Substances Act or under any other provision of federal~~

law.

- d. ~~Serious bodily injury means a bodily injury which involves: (A) a substantial risk of death; (B) extreme physical pain; (C) protracted and obvious disfigurement; or (D) protracted loss or impairment of the function of a bodily member, organ, or mental faculty.~~

**~~P. Procedures Governing Expulsions for Students Identified as Eligible under Section 504 of the Rehabilitation Act of 1973 ("Section 504")~~**

1. ~~Except as provided in subsection B below, notwithstanding any provision to the contrary, if the Administration recommends for expulsion a student identified as eligible for educational accommodations under Section 504 who has violated any rule or code of conduct of the school district that applies to all students, the following procedures shall apply:~~
  - a. ~~The parents of the student must be notified of the decision to recommend the student for expulsion.~~
  - b. ~~The district shall immediately convene the student's Section 504 team ("504 team") for the purpose of reviewing the relationship between the student's disability and the behavior that led to the recommendation for expulsion. The 504 team will determine whether the student's behavior was a manifestation of his/her disability.~~
  - c. ~~If the 504 team finds that the behavior was a manifestation of the student's disability, the Administration shall not proceed with the recommended expulsion.~~
  - d. ~~If the 504 team finds that the behavior was not a manifestation of the student's disability, the Administration may proceed with the recommended expulsion.~~
2. ~~The Board may take disciplinary action for violations pertaining to the use or possession of illegal drugs or alcohol against any student with a disability who currently is engaging in the illegal use of drugs or alcohol to the same extent that such disciplinary action is taken against nondisabled students. Thus, when a student with a disability is recommended for expulsion based solely on the illegal use or possession of drugs or alcohol, the 504 team shall not be required to meet to review the relationship between the student's disability and the behavior that led to the recommendation for expulsion.~~

**~~O. Procedures Governing Expulsions for Students Committed to a Juvenile Detention Center~~**

1. ~~Any student who commits an expellable offense and is subsequently committed to a juvenile detention center, the Connecticut Juvenile Training School or any other residential placement for such offense may be expelled by the Board in accordance with the provisions of this section. The period of expulsion shall run concurrently with the period of commitment to a juvenile detention center, the Connecticut Juvenile Training School or any other residential placement.~~
2. ~~If a student who committed an expellable offense seeks to return to a school district after participating in a diversionary program or having been detained in a juvenile detention center, the Connecticut Juvenile Training School or any other residential placement and such student has not been expelled by the board of education for such offense under subdivision (A) of this subsection, the Board shall allow such student to return and may not expel the student for additional time for such offense.~~

1. ~~If a student with disabilities engages in conduct that would lead to a recommendation for expulsion, the district shall promptly convene an IEP team (PPT) meeting to determine whether the misconduct was caused by or had a direct and substantial relationship to the student's disability or if the conduct in question was the direct result of the District's failure to implement the IEP. A student may be suspended for up to ten days pending the IEP team (PPT) determination.~~

~~If the District, parent and relevant members of the IEP team (PPT) determine that the misconduct was not caused by the disability, the Superintendent may proceed with a recommendation for expulsion. During any period of expulsion, a student with disabilities under the IDEA shall receive an alternative educational plan consistent with the student's educational needs as determined by the IEP team (PPT) in light of such~~

~~expulsion and the student's IEP. The services must continue to the extent determined necessary to enable the disabled student to appropriately advance in the general education curriculum and to advance toward achieving the goals of his/her IEP, and be provided a free appropriate public education.~~

- ~~1. If the District, parent and relevant members of the IEP team (PPT) determine that the misconduct was caused by or had a direct and substantial relationship to the disability, or the conduct in question was the direct result of the District's failure to implement the student's IEP, the Superintendent shall not proceed with the recommendation for expulsion. The IEP team (PPT) shall consider the student's misconduct and revise the IEP to prevent a recurrence of such misconduct and to provide for the safety of the other students and staff. A functional behavioral assessment shall be conducted, if not previously done, and a behavioral intervention plan implemented or revised, if in existence. The student shall be returned to the placement from which he/she was removed unless agreed otherwise by the District and parent.~~
- ~~2. Should a parent of a student with disabilities who is eligible for services under the IDEA (or the student himself/herself if eighteen years of age or older) file a request for a due process hearing to contest an expulsion under subparagraph (2) above or a proposed change in placement under subparagraph (3), unless the parents (or student if eighteen years of age or older) and the Board otherwise agree, the child shall stay in the interim alternate educational setting, if so placed by student authorities, pending decision in said due process hearing and any subsequent judicial review proceedings.~~
- ~~3. Notwithstanding the provisions of the preceding subparagraph (4), a student with disabilities may be assigned to an interim alternative educational setting for not more than forty-five (45) school days if the student brings a weapon to school or to a school function or knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at school or a school function, or has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function. For purposes of this paragraph, "weapon" means a device instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of, causing death or serious bodily injury, but excludes a pocket knife with a blade of less than 2 ½ inches in length. "Serious bodily injury" is defined as bodily injury which involves a substantial risk of death, extreme physical pain, protracted and obvious disfigurement or protracted loss or impairment of the function of a bodily member, organ or mental faculty. The interim alternative placement shall be determined by the IEP team (PPT). If a due process hearing is requested, the student shall remain in said interim alternative placement pending a decision in the due process hearing, unless the Board and the parents otherwise agree, or the Board obtains a court order.~~
- ~~4. In order for the district to unilaterally obtain a 45-day change in placement from a federal judge of Connecticut hearing officer, it must prove by substantial evidence that maintaining the current placement of the student is substantially likely to result in injury to the child or others. The school must also prove that it has made reasonable efforts to minimize the risk of harm the student presents in the current placement.~~

#### **~~K. Q. Alternative Educational Opportunity~~**

~~The Board of Education recognizes its obligation to offer any student under the age of sixteen (16) who is expelled an alternative educational opportunity during the period of expulsion. Such alternative educational opportunity shall be equivalent to alternative education, as defined by the Connecticut State Department of Education, C.G.S. 10-74j, with an individualized learning plan (1) if the Board provides such alternative education, or (2) in accordance with the standards adopted by the State Board of Education (by 8/15/17), which includes the kind of instruction to be provided and the number of hours to be provided during the period of expulsion.~~

~~Any parent or guardian of such student who does not choose to have his or her child enrolled in an alternative educational program shall not be subject to the provision of Section 10-184 of the Connecticut General Statutes.~~

#### **~~L. R. Other Considerations~~**

1. ~~If a student is expelled, notice of the expulsion and the conduct for which the student was expelled shall be included on the student's cumulative educational record. Such notice shall be expunged from the cumulative educational record by the Board if the Board determines that the student's conduct and behavior in the years following such expulsion warrants an expungement.~~
2. ~~If a student's expulsion is shortened or the expulsion period waived based upon the fact that the student was expelled for the first time, had never been suspended, and successfully completed a Board specified program and/or met other conditions required by the Board, the notice of expulsion shall be expunged from the cumulative educational record if the student graduates from high school or, if the Board so chooses, at the time the student completes the Board specified program and meets any other conditions required by the Board.~~
3. ~~If a student in grades preschool to 6, is expelled based on possession of a firearm or deadly weapon, the Board may expunge from the students' cumulative education record the notice of the expulsion and the conduct for which the student was expelled if the Board determines that the conduct and behavior of the student in the years following such expulsion warrants an expungement.~~
4. ~~The Board may adopt the decision of a student expulsion hearing conducted by another school district provided such Board of Education held a hearing pursuant to C.G.S.10-233d(a). Adoption of such a decision shall be limited to a determination of whether the conduct which was the basis for the expulsion would also warrant expulsion under the policies of this Board. The student shall be excluded from school pending such hearing. The excluded student shall be offered an alternative education opportunity in accordance with item K above.~~
5. ~~Whenever a student against whom an expulsion hearing is pending withdraws from school and after notification of such hearing but before the hearing is completed and a decision rendered, (1) notice of the pending expulsion hearing shall be included on the student's cumulative educational record and (2) the Board shall complete the expulsion hearing and render a decision.~~
6. ~~A student expelled for possession of a firearm, or deadly weapon, dangerous instrument, or martial arts weapon shall have the violation reported to the local police department.~~
7. ~~The period of expulsion shall not extend beyond a period of one calendar year. A period of exclusion may extend into the next school year.~~
8. ~~An expelled student may apply for early readmission to school. Such readmission shall be at the discretion of the Board of Education/Superintendent of Schools (choose which). Readmission decisions shall not be subject to appeal to Superior Court. The Board or Superintendent as appropriate, may condition such readmission on specified criteria.~~
9. ~~Any student who commits an expellable offense and is subsequently committed to a juvenile detention center, The Connecticut Juvenile Training School, or any other residential placement for such offense may be expelled by the local Board of Education. The period of expulsion shall run concurrently with the period of commitment to a juvenile detention center, the Connecticut Juvenile Training School, or any other residential placement.~~
10. ~~Prior to placing any student in an out-of-district placement due to the challenging behavior of such student, the board of education shall conduct a functional behavior assessment of such student and develop or update a behavioral intervention plan for such student.~~

~~A functional behavior assessment and a behavioral intervention plan shall not be required if the time required to conduct such assessment or develop or update such plan would put the safety of such student, any other student, or any staff at such student's school at risk.~~

~~Not later than two business days following the decision not to conduct such assessment, or develop, or update such plan for such student, the local or regional board of education shall file a notice with the Department of Education of the reasons that such assessment was not conducted or such plan was not developed or updated.~~

## **~~S. Change of Residence During Expulsion Proceedings~~**

~~1.—Student moving into the school district~~

- ~~a.—If a student enrolls in the district while an expulsion hearing is pending in another district, such student shall not be excluded from school pending completion of the expulsion hearing unless an emergency exists, as defined above. The Board shall retain the authority to suspend the student or to conduct its own expulsion hearing.~~
- ~~b.—Where a student enrolls in the district during the period of expulsion from another public school district, the Board may adopt the decision of the student expulsion hearing conducted by such other school district. The student shall be excluded from school pending such hearing. The excluded student shall be offered an alternative educational opportunity in accordance with statutory requirements. The Board shall make its determination based upon a hearing held by the Board, which hearing shall be limited to a determination of whether the conduct which was the basis of the previous public school district's expulsion would also warrant expulsion by the Board.~~

~~2.—Student moving out of the school district:~~

~~Where a student withdraws from school after having been notified that an expulsion hearing is pending, but before a decision has been rendered by the Board, the notice of the pending expulsion hearing shall be included on the student's cumulative record and the Board shall complete the expulsion hearing and render a decision. If the Board subsequently renders a decision to expel the student, a notice of the expulsion shall be included on the student's cumulative record.~~

**~~T.—Compliance with Documentation and Reporting Requirements~~**

- ~~1.—The Board of Education shall include in all disciplinary reports the individual student's state-assigned student identifier (SASID).~~
