IMESD District Board Talking Points

September 2014

OEIB Update OEIB is currently assisting Governor Kitzhaber's 2015-17 education budget. Strategic investments in the following areas are being considered:

Early Learning Expansion of early learning HUBS, full-day kindergarten, and 3rd grade literacy programs.

Grades 11-14 Expansion of programs, such as the Eastern Promise, to blend the junior year of high school through the sophomore year of college.

STEM Continuation of best practices to support careers in Science, Technology, Engineering, and Math.

CTE Expansion of programs to provide workforce development for the "Middle 40."

Educator Network Continuation of network to improve educator quality and recruitment.

ELL Students Best practices to improve student performance of this subgroup.

If you need further clarification, don't hesitate to contact Dr. Mulvihill at IMESD.
