

Minidoka County School District  
**Professional Development Plan**  
**2017-2020**

The administrators have worked together on a three year professional development plan. It is difficult to determine specifically what professional development will be offered in advance due to new initiatives and funding. The administrators did determine writing and math to be the focus for 2017-2018.

2017-2018	
<b>Elementary</b>
