Subject: Request to Stay on as a College Student

Date: August 4, 2014

First, I would like to thank you for giving me the opportunity of employment during the summer, It is a rare privilege to find a job that allows you to work when you come back from school and one that lets you work around your school schedule. Class starts on the 25th of August and I am requesting that I be allowed to work during the fall semester.

I have attached a copy of my fall semester schedule and I will be available to work on Tuesdays, Thursdays, and Fridays half of the day.
