GOAL: 4

OBJECTIVE: 4A

SUBJECT:

Consider Board approval of Property/Casualty/Fleet Insurance renewal.

RATIONALE:

Texas Association of School Boards (TASB) is the district's carrier for Property/Casualty/Fleet Insurance. The renewal rate for the one-year contract beginning February 1, 2026 is \$810,067, an increase of \$38,289 from last year.

The district did send out RFP's seven years ago which resulted in TASB being the best value by a significant amount. With our long history and record of great service we recommend renewing our contract for an additional year.

RECOMMENDATION:

The administration recommends that the District renew our Property/Casualty/Fleet Insurance with TASB.
