This is year 1 of a 3-year multi- year agreement. Please see terms & conditions section below for additional details.

Total \$125,648.72

We are looking forward to working with you!

Terms & Conditions

All quotes are good for 30 days.

Payment Terms: Invoice to be provided once purchase order is received. Invoice to be paid in full, all invoices are Net 30.

Prices quoted include a 4% Discount off Laserfiche software, annual support, and professional services based upon Modified Logic's contract # 260105 Technology Solutions, Products, and Services with TIPS (The Interlocal Purchasing System). The complete contract can be viewed here:

<https://www.tips-usa.com/contracts/vendors/F5F008D601D7A18D0BB40AD9D13236B5>

Multi-Year Agreement: This is year 1 of a 3-year contract with a fixed 5% annual increase. Early termination would require payment for the remaining term. Year 2 and year 3 invoices will be provided 60 days out prior to renewal date for payment and processing.

Your Laserfiche software system is for a term of 3 years and has an annual increase of 5% year over year beginning on the first anniversary of your renewal start date. Expansions are sold at list price and no downgrades are permitted. Any downgrade request will void the contracted pricing and terminate the contract. Early contract termination will result in the entire remaining balance of the original contract term becoming due and payable on the termination date.

Projected Year 2 & 3 Subscription License and Annual Support Costs are as follows (to include the 5% year over year increase, assuming no additional software licenses are purchased).

8/10/27 - \$131,931.16

8/10/28 - \$138,527.72

*Please note above costs do not include any professional service hours.
