Subject: Letter of Intent to Transition to ASO Medical Environment

Dear Allison Cohen, Mike Evans,

Denton Independent School District (Denton ISD) is writing to formally notify Blue Cross and Blue Shield of Texas (BCBSTX) of our intent to continue our valued relationship and transition our medical benefits plan to an Administrative Services Only (ASO) arrangement, effective September 1, 2025.

This decision reflects Denton ISD's commitment to providing high-quality, sustainable healthcare benefits to our employees while enhancing financial transparency and flexibility through an ASO funding model. After careful evaluation and consultation with our benefits advisors, we believe that continuing with BCBSTX as our medical claim's administrator under an ASO structure best aligns with the needs of our employees and long-term strategic goals.

We look forward to working closely with the BCBSTX team to ensure a smooth and timely transition. Please consider this letter as our official intent to proceed with the ASO conversion. We kindly request that you initiate the necessary steps and provide Denton ISD with a proposed implementation timeline, administrative services agreement, and any additional documentation required for this transition.

Should you need any further information or clarification, please contact Chris Bomberger Executive Director at your convenience.

Thank you for your continued partnership and support.

Sincerely,

Dr. Jeremy Thompson
