Re: Item for the Committee of the Whole

I am requesting that 'Policy JK – Fundraising Activities' be placed on the agenda of the BOE Committee of the Whole meeting of November 11, 2019. BOE members may recall the valuable discussion we had on this policy during the Study Session of November 4, 2019.

The policy has been slightly updated based on President Johnson's recommendation. I have also added slight modifications to the procedures based on the Study Session discussion.
