I. PURPOSE

The purpose of this policy is to maintain a safe and healthful environment at Crosslake Community School (CCS) in order to promote the physical, social, and psychological well-being of its students. To that end, CCS will seek a criminal history background check for applicants who receive an offer of employment and on all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services, regardless of whether any compensation is paid, Board of Education Directors, or such other background checks as provided by this policy. CCS may also elect to do background checks of other volunteers, independent contractors, and student employees at CCS.

II. GENERAL STATEMENT OF POLICY

The offer of employment or the opportunity to provide services shall be conditioned upon a determination by CCS that an individual's criminal history does not preclude the individual from employment with, or provision of services to, CCS shall be conditioned upon a determination by CCS that an applicant's criminal history does not preclude the applicant from employment.
- B. CCS specifically reserves any and all rights it may have to conduct background checks regarding current employees, applicants, or service providers without the consent of such individuals.
- C. Adherence to this policy by CCS shall in no way limit CCS' right to require additional information, or to use procedures currently in place or other procedures to gain additional background information concerning employees, applicants, volunteers, service providers, independent contractors and student employees.

III. PROCEDURES

- A. Normally an applicant will not commence employment or provide services until CCS receives the results of the criminal history background check. CCS may conditionally hire an applicant or allow an individual to provide services pending completion of the background check but shall notify the individual that the individual's employment or opportunity to provide services may be terminated based on the result of the background check. Background checks will be performed by the Minnesota Bureau of Criminal Apprehension (hereinafter "the BCA"). The BCA shall conduct the background check by retrieving criminal history data as defined in Minnesota Statutes section 13.87. CCS reserves the right to also have criminal history background checks conducted by other organizations or agencies.
- B. In order for an individual to be eligible for employment or to provide athletic coaching services or other extracurricular academic coaching services to CCS, except for an enrolled student volunteer, the individual must sign a criminal history consent form, which provides permission for CCS to conduct a criminal history background check. If the individual fails to provide CCS with a signed Informed Consent Form at the time the individual receives a job offer, or permission to provide services, the individual will be considered to have voluntarily withdrawn the application for employment or request to provide services.

- C. CCS, in its discretion, may elect not to request a criminal history background check on an individual who holds an initial entrance license issued by the Minnesota Professional Educator Licensing and Standards Board of the Minnesota Commissioner of Education within the 12 months preceding an offer of employment or permission to provide services.

 - 2. the other school/district hiring authority conducted a criminal background check within the previous 12 months;
 - 3. the individual executes a written consent form giving CCS access to the results of the check; and
 - 4. there is no reason to believe that the individual has committed an act subsequent to the check that would disqualify the applicant for employment or provision of services.

For all nonstate residents who are offered employment or the opportunity to provide athletic coaching services or other extracurricular academic coaching services to with CCS, CCS shall request a criminal history background check on such individuals from the superintendent of the BCA and from the government agency performing the same function in the resident state, or if no government entity performs the same function in the resident state, from the Federal Bureau of Investigation. Such individuals must provide an executed criminal history consent form.
