

UNITY EAGLES

College Credits: Unity ECCP and SCN Programs

While students in Wisconsin having an opportunity to pursue college credits during their high school years has been going on for a long time, the onset of the Early College Credit Program and Start College Now has impacted the lives of many Unity students over the last few years. Through the Early College Credit Program and the Start College Now program, Unity students have the potential to obtain up to 18 college credits during their high school years for free. The Early College Credit Program

provides students with an opportunity to earn credits from an extensive number of 4-year Wisconsin colleges. The Start College Now program allows students to obtain credits from numerous Wisconsin technical colleges. These programs and the incredible support offered in partnership with the Unity School District and Board of Education serve as an amazing resource for an increasing number of students each year. Congratulations to the students and staff members that make these programs possible!

EXCITING EVENTS

Check out the Unity Website

Unity School District continues to search for qualified candidates for several open positions within the District. As always, the goal is to ensure students receive quality education from highly qualified teachers.

1

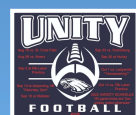

Congratulations to Jacob Erickson for winning a blue ribbon in every swine class he competed in at the Polk Co. Fair. He also won the title of Premier Showman as well as Reserve Champion Market Barrow!

2

Congratulations to the Unity Eagles Volleyball teams that competed in the 2022 summer volleyball league in Barron, WI. The Varsity finished in third, and the JV team took second place!

3

The Unity Eagles Football season kicked off on Tuesday, August 2nd. The Eagles have an exciting season ahead with some fun competition. The team has to most seniors in years, and will look to capitalize on their leadership.

4

Congratulations to Cheyanne Knutson, Jacob Erickson, Gracie Davison, and Sam Volgren for their outstanding success at the 2022 Polk Co. Fair. The Unity FFA was showcased very well through all of the competitors' success!

5

"Practice like you have never won...compete like you have never lost."

Horizon ACT Prep and Pre ACT Resource

Unity High School is excited to implement a new ACT Prep and Pre ACT resource for students. The program, offered through Horizon Education, will allow students in grades 9-11 to prepare for successful completion of the ACT. The significance of the impact will be tracking student progress and growth over their freshmen and sophomore years as they head

into their junior year. During their junior year, students take the ACT, which is also the Wisconsin state assessment for all high school students. The goal is to see students increase their overall average composite score. Schools that have utilized this resource across the country have seen an average growth of 4-8 points on their composite scores!
