January 20, 2026 BHS School Board Report

- **Current enrollment for the 2025-2026 school year 340 students**
 - **Our Senior class has 44 students. 34 are currently on track to graduate.**
 - **The high school team took part in the Northwest Service Coop's MLK day professional development. The coop offered 3 one hour sessions via Zoom that the teachers could choose from from 5 different topics. We also had training on the Emergent 3 App.**
 - **The second semester of the school year started today. We are officially at the half way point.**
 - **The enrollment committee met January 9th to go over Survey responses. We have shared the information with you today. Please take some time to look it over and we can discuss it at a future meeting.**
