Much appreciation to Ron Brown and Linda Koons for preparing the building for the new school year and for making the building safe, clean and ready for student attendance on 8/17/21. Also to Robyn Foster for all she does to get the school year off to a smooth start.

A big shout out to the staff at Lincoln School who continue to remain flexible and open-minded about how best to set up classrooms while observing social distancing and mask guidelines. They continue to remain upbeat and excited about teaching our kiddos regardless of the restrictions and we can't wait to welcome everyone back for the 21-22 school year.

On behalf of the Lincoln Staff we want the board to know how we recognize the position you are in when making tough decisions and how much we appreciate the priority you always place on student learning and doing what is best for our students in every decision that is made.
