Re: 2018 Construction Projects

We would like to discuss the bid responses received for the Summer 2018 construction projects at Buchanan Elementary, Webster Elementary, Jackson Early Childhood Center and the Livonia Career Technical Center the next Building and Site Committee meeting on Monday, February 12, 2018.

The RFB for the Summer 2018 construction projects at Buchanan Elementary, Webster Elementary, Jackson Early Childhood Center, and the Livonia Career Technical Center were made available on January 11, 2018. The bid responses were due on January 30, 2018. We received 99 responses and members of the Bond Team have reviewed the information and interviewed the bidders. The process for evaluation will be in accordance with the criteria that were established previously.

This topic was reviewed with Board members at the January 29, 2018 Study Session. On Monday, February 12, 2018, at the Building and Site Committee meeting, Plante Moran CRESA will present to the Board of Education an in-depth overview of the results of their evaluation and provide recommendations for next steps in the process of selecting the vendors for the Summer 2018 construction projects.

As a reminder, a special voting meeting will be held on February 26, 2018. As always, please let me know if there are any additional questions.
