

DANCE TEAM FUNDRAISER

Hello, this is Ryann Anderson from the West Minico dance Team. We would like to host a mini dance camp over spring Break. This will be a one day dance camp from ages K through 5th grade able to participate learn a dance routine with the dance girls and then perform it at April 17 for our end-of-the-year showcase. If there is any remaining questions, please feel free to call me or email me. We would love to host our first one in several years thank you

The funds go back towards the teams' fees that most of them still have not paid in full. I don't think that they will make more than \$300. I am hoping to help recruit new girls in the future for our team since we are having a hard time getting numbers. The cost will be \$15 each person.
