## Subject: Bounce Back for Classrooms Grant Approval

**Description:** In partnership with the National Native Children's Trauma Center in Missoula, we'd like to pursue a 36-month grant (250K) which will provide a structured, 12-week program for classroom teachers with predeveloped lesson plans designed to support students in understanding and mitigating the effects of traumatic stress. A special focus is placed on providing students with relaxation and stress reduction coping strategies. This curriculum, Bounce Back for Classrooms, is intended to fit within existing school protocols for implementing whole school student supports (MTSS). The curriculum would be geared for 2<sup>nd</sup>-5<sup>th</sup> graders. Award amounts range from 250K-500K. This curriculum will be another resource i.e., tool that the teachers and tier II support can use in the class room. Both Tier II Specialist will be offered training to assist the teachers that want to utilize the tool
