BACKGROUND:

The Arizona School Boards Association has recommended the following new model policies for the Board's consideration:

IHAMC (Instruction and Training in Cardiopulmonary Resuscitation) – The 52nd Legislature's Senate Bill 1137 amended A.R.S. 15-718.01 and 43-1089.01 related to school curricula. The substance of this legislation directs school districts and charter schools to offer instruction and training in cardiopulmonary resuscitation (CPR) as a mandatory, not a discretionary, duty. CPR instruction and training is required to be provided no later than July 1, 2019. A new document, IHAMC, has been created for this required instruction.

This draft policy is attached to this Item for the Board's review.
