From: Dixie Lee Guardipee 

After much consideration it is my intention to resign September 1, 2022 as the Facility Secretary.

I want to thank not only you, but also the Board of Trustees that I have worked with for the past 24 + years. I've had many good times and some frustrating times throughout those years, but have enjoyed them all the same.

For many years we had a wonderful team at the Facilities Dept. and during those times I feel that we accomplished a lot both in knowledge as well as in the ability to assist with the planning and developing of many projects from beginning to end (paper work side of things). I also have been very fortunate to have had several bosses (Les M, Tony W, Glen H, and Reid R) and all have treated me with the utmost respect. To all of those individuals and especially to you, my daughter, who continues to put forth everything you can to help out this district, I wish the very best.

I look forward to completing the two projects we have been working on for the past couple of years as well as starting the new projects just coming up. I also wish success in the future to all the staff that I have worked with throughout these past years.

I look forward to being able to attend more of my children, grandchildren and great grandchildren's activities.
