

## **Superintendent Report**

### **January 2026**

- Good luck to our Science Olympiad students who are attending a competition in Los Angeles at USC.
- Thank you to our maintenance and custodial staff for keeping the walkways and parking lots cleared.
- We are currently working on the school calendar for 2026-2027. We will have a recommendation to the board in February.
- Next teacher in-service day is scheduled for January 19.
- Referendum work continues. Wrapping up phase 1 items and continuing to work on phase 2 planning and projects.
