The contract between your school district and Go Solutions is **set to expire on June 30, 2021**. Attached is a copy for your review and signature. Please let me know if you have any questions or concerns regarding this renewal.

To return, please sign then scan a copy of the last page of signatures. Once received, we will send you a copy back to you with our signature for your records.

Right now the contracts are set for a one year renewal. If you are interested in increasing the time frame to a 3-year contract, please let me know and we can make that adjustment. Aside from the listed date and new formatting, there are no modifications or changes to the terms of the contract from years prior.

Go Solutions looks forward to working with you again for another great school year!

Thank you!
