We would be honored to have you join us for a tribute to our local veterans. If you have any service time pictures that you are willing to allow us to scan for a slide show and return to you that would be greatly appreciated. We also need to know your name, rank, and the branch of the service you served in.

We have the opportunity for Veterans to share their life experiences with students before the assembly. If you would like to share your experience with our students either in the classroom please let me know as soon as possible.

We also competed in district Ag Sales this month and brought three teams. Our beginning team won 3rd place, our Advanced B team won 1st and our Advanced A team won 2nd and will be going on to state!

We also awarded Bella Hendy as our October member of the month. Bella is in our Ag leadership class and has been getting very involved this year. She competed in District Soils and did amazing at District Ag Sales. In October we also held our school-wide FFA canned food drive. The grade that brought in the most cans and won spirit points was the sophomores. The class that won is Mrs. Townes's advisory! Thank you to everyone who participated and brought in cans!
