**HES FACILITY IMPROVEMENTS ALMOST COMPLETE:** During the summer months, several facility improvements took place. Two student bathrooms, a staff bathroom, new carpet, and new exterior paint are all nearly complete with the first day of school quickly approaching! These new improvements look great and will make a big difference going forward!

**SDE REPORT CARD FOR HES:** Recently the Idaho State Department of Education published its annual report card. As a school, Homedale Elementary achieved more growth from fall to spring compared to the state average and was nearly on par with the state's proficiency level as determined by the Idaho Reading Indicator (IRI).
