PRELIMINARY BUDGET
Wayne RESA

From Wayne RESA Superintendent, Randy A. Liepa, Ph.D.

April 26, 2021

Dear Superintendents and Board of Education Members:

This budget package reflects the projected financial profile of the Wayne County Regional Educational Service Agency's operations for fiscal year 2021-2022. This information was presented to the Wayne RESA Board of Education on April 21, 2021 for review and discussion. The official "district hearing" will be held at the May 19, 2021, Wayne RESA Board of Education meeting, with the budget also being presented for formal approval at the June 9, 2021, meeting of the Board.

As one of the 56 intermediate school districts in the State of Michigan, Wayne RESA works closely with each of our 33 local school districts to ensure that our programs and services positively impact teaching and learning. We are connecting with, and directing our services, resources and leadership to Wayne County districts and schools with the goal of making these services relevant, cost effective and focused on improving student achievement. Additionally, it is imperative that we continue to assist in targeting and maximizing critical resources and providing cost saving opportunities through economies of scale and collaboration.

The attached budget document provides a high level of information for your review. Additional detail is available on our website at www.resa.net under "About Us", then "Reports". Many of the questions we are asked can be found in the FAQ document also posted to the report page of our website. The Wayne RESA General Fund continues to have a positive fund balance and the Wayne RESA Board of Education has taken the position that we will manage the use of our fund balance to assure stability in our services from year to year, while optimizing important services to support our districts.

Your questions or points of interest regarding this proposed budget are invited and should be directed to Steve Ezikian, Deputy Superintendent at **(734) 334-1450** or at ezikias@resa.net ; or Tamara Dust, Director of Finance, at **(734) 334-1579** or at dustt@resa.net .

Of course, you are always encouraged to contact me directly if you have any additional questions or comments about any aspect of Wayne RESA.

Sincerely,

Randy A. Liepa, Ph.D.
Superintendent

Who We Are and What We Do

Wayne RESA is a regional educational service agency that provides a wide variety of services to children, families and communities. We coordinate many of our programs with Wayne County's 33 public school districts and over 100 public school academies. We also provide services to local and intermediate school districts in other parts of the state.

The services Wayne RESA provides range from curriculum consulting, leadership and content coaching, and staff development, to helping districts maximize technology in the classroom and in their business and administrative operations. Wayne RESA's services save taxpayers millions of dollars annually and enable districts to concentrate more time, money and energy on the direct education of students.

With a projected operating budget of over \$535 million, Wayne RESA's budget includes more than \$446 million

that is distributed to local districts and agencies to cover the costs related to special education, Medicaid, the enhancement millage, and other special projects.

The Preliminary Budget reflects the expected revenues and planned expenditures for the 2021-2022 fiscal year. While projections are as precise as available information will permit, it is anticipated that adjustments will be necessary during the coming year.

The Preliminary Budget provides a comprehensive financial profile of all of the funds of Wayne RESA, as well as supplementary information to promote a more complete understanding of WRESA's financial structure. Each of the individual funds are accompanied by a narrative summary, and in the case of the General Operating Fund and the Cooperative Fund, are followed by links to detailed budgets for each cost center.

> WRESA 2021-22 Budget

Wayne RESA's total budget across all funds is over \$535 million. Of this, \$446 million is directly distributed to schools.

WRESA 2021-22 Budget

Wayne RESA's Operating Funds, the General and Cooperative Funds, represent 5% of all the Agency's expenditures.

> Budget by Service Area

Wayne RESA's Operating Expenditures are further divided into both indirect services and direct services to districts. Indirect services and administration costs account for approximately 18% of costs, while direct services to districts make up the remaining 82%.
