STUDENT HEALTH SERVICES
AND REQUIREMENTS

The Superintendent shall establish procedures for the student health services program in the District. Such procedures will provide for:

- Administration of patent or proprietary medications (over-the-counter [OTC] medications) in compliance with Arizona Revised Statutes and District policies.
- Administration of prescription medications in compliance with Arizona Revised Statutes and District policies.
- Administration of immunizations in conjunction with the County Health Department and in compliance with Arizona Revised Statutes.
- Providing preventive health information.
- The treatment of school-related injuries/illnesses, and recommendation for follow-up care.
- Screening clinics for selected physical impairments.

Counseling services and referrals for students infected with bloodborne pathogens, including but not limited to the Human Immunodeficiency Virus (HIV), Hepatitis B Virus (HBV), Hepatitis C Virus (HCV) and other pathogens, shall be available.
