**2021/2022**

Online enrollment has been open since February 1<sup>st</sup>. We are primarily focused on reenrolling returning families. That being said, 12 of the 124 families are new (15 of the 218 students). Thirty-two of the 124 families (58 students) have completed the enrollment process.

### PACE Outreach

Advertising for the 2021/2022 school year is going strong on Facebook, YouTube, and AdWords. There has been an increase in interested families contacting us through our website and by phone.

Due to current mandates and recommendations, the Anchorage, Ketchikan, and Matsu Learning Centers have limited staffing and are only available by appointment. Staff continues to serve families through alternative modes of interaction.

### School Improvement

PACE held a virtual inservice April 28<sup>th</sup> and 29<sup>th</sup>. Our primary objectives were:

- Continued work on school goals
  - Review current data and modify goals and objectives
- Familiarize educators with new evaluation tools including domains and elements
- Systematic processes: creating PRs, ordering materials, and checking-in materials

Our Cognia accreditation engagement review will be held during the 21/22 school year.
