

Jefferson Elementary

Conscious Discipline

Commitment: We will commit to recognizing the shifts between the executive, emotional, and survival states within ourselves.

Building leaders, building community!

Students in our instructional room are taking on exciting new school jobs that make a real difference in our building each week! These dedicated helpers return lunch tickets, distribute and collect recycling bins in partnership with the high school, and help deliver Buddy Bags to classrooms.

Through these meaningful roles, our students are learning responsibility, teamwork, and pride in contributing to their school community. Even more importantly, these jobs help strengthen our school family by giving all students regular opportunities to interact, connect, and support one another in positive ways. It's been wonderful to see our students grow in confidence and build relationships as they take ownership of these important daily routines!

Thank you to Mrs. Spauling and her amazing students!

The Book Fair was a success! Our students were excited to explore new stories, build their love of reading, and grow their personal libraries. Every purchase also helped support our school and put more books into our classrooms — a win for everyone! Thank you to our school librarian, Mrs. Zachary, our teachers, and our parent volunteers for making it a great fair!

So much Spirit!!

Our students showed their Duke pride in all purple for Spirit Week! ♥ A huge thank-you to our Dukes and Duchesses for kicking off Friday morning with school spirit and smiles before the big game!
