NOTE: Rather than rejecting large checks that pay multiple accounts we deposit the check, post payments that are correct and refund errors or overpayments. Tax office will consolidate like payees on same refund check when possible. Many of the refunds stem from the CAD reducing the value or adding exemptions after the original bills were mailed to taxpayer.

All Ports were approved after 1st Bills were sent out. A Port is when an Over 65 Tax Payer gets a Tax Ceiling Certificate approved from their previous place of residence.
