

SCHOOL BOARD MEETING REPORT

Board Meeting Date: _____ **Superintendent:** Dave Valenzuela

Administrator/Staff: Sabrina Miller/James Nelson/Samantha Quinn

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Request for out of state travel to participate in Math workshop. Sabrina, James and Samantha would like to attend the Mathematics at Work: Best Practices for Teams Workshop in Spokane, Washington April 22-23, 2026.

Provide history/background information on your proposal:

Sabrina is a Math PLC Leader Admin
James Nelson is a 7th and 8th grade Math teacher that participates in the PLC process
Samantha Quinn is a 6th grade Math teacher that participates in the PLC process

List the advantages of your proposal:

The advantages would be collaboration to provide a deeper understanding about intentional lesson design that impacts student learning at all levels. This workshop would directly help students with the tools learned.

List possible disadvantages of your proposal:

The disadvantage would be having to be out of the building for two days to attend.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

There is not a known alternative to attend except not going.
