Everett

The BTBC approved yesterday to allow youth activities starting Friday June 5, 2020. With strict protocol on cleaning and social distancing etc. there asking that a plan be given to them prior to opening activities.

I would like you to present your plan to the board and get the boards input and maybe see what we can do to include a day or two for younger youth activities.

I will get the action by the Council once it is ready so we can make sure we follow there guidelines/requests for having youth activities.

Thanks

Donna
