Instruction

School Volunteers

Volunteers will work under the supervision of staff, assisting with tasks which may include the following: chaperoning field trips, coaching, clerical support, mentoring and other appropriate assignments.

In our continued effort to maintain a safe learning environment, all school visitors, including volunteers, must register upon entering any school. A sign-in/sign-out log will be maintained in each school office. Volunteers must present a valid state-issued ID (driver’s license, identification card, work VISA or green card), record both arrival and departure times, and indicate the purpose of their visit. Additionally, volunteers will be provided with identification badges, which must be displayed during each visit.

All volunteers are expected to exhibit standards of conduct equal to those of the school staff and to observe all Board of Education policies. This includes, but is not limited to use of appropriate language, maintaining confidentiality, wearing appropriate attire, and exercising good judgment.

The school volunteer is a non-paid person who helps in the school under the direction of the school Principal or his/her designee.

The building Principal or his/her designee is responsible for conveying the contents of this policy to all school volunteers.
