EPISD is in a joint election with the County and Hospital District so voters would be able to vote one time for all elections. Without notice to EPISD, the County was forced by petition to increase Early Voting dates and times for County elections. For voter convenience, it is recommended that the Board's previously determined Early Voting dates and times for EPISD elections be revised to fully correspond with the County's as well as ensuring that Election Day poll locations are all the same for the joint elections.
