March 9, 2025

Mr. Larsen and Minidoka County School Board,

Minico High School is making the following adjustments to our Course Catalog & offerings:

1. All Juniors will be required to take Math Strategies their 11th grade year- sections A & B
*** See Math proposal: given to the board at the upcoming school board meeting- Mrs. Austin & Miss Bateman
2. Financial Literacy(graduation requirement) will continue to be covered in Economics classes
3. Science- due to ISAT design- Biology will be adjusted to 9th grade year- physical science will move to 10th grade
4. Adding CTE course- Business Entrepreneurship-11th and 12th grades only-elective credit
5. Adding Geography for 9th and 10th graders- Humanities or Social Studies Credit
6. Dual credit- two classes are being added- Intro to Public Speaking and Speech
7. Ag Courses- Advance Floriculture- floral design class
8. PE -Boys and Girls weights classes- Outdoor Recreation and Life Sports will be separated into two classes instead of one. Team Sports will no longer be offered.
Adding- Recreational Fly tying- See Mr. Hoey's proposal since there is a fee associated with the class.
9. Digital Literacy- this will be a discussion after the final decision is made at the legislative level.

There are not changes to curriculum or adding classes that require extra curriculum. Due to the current size and upcoming freshman class, adjustments have been made to meet the elective need for students to fill their schedules, as well as the vision for growth on State Tests(ISAT) and scores.

Thank you.

Kimberley M. Kidd
Principal
Minico High School
