

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: August 2, 2016

TITLE: Job Description for Elementary STEM Teacher

BACKGROUND:

In the fall of 2017, Amphitheater Public Schools will open a STEM elementary school. Because of the unique instructional requirements which will be crucial to this STEM school's success, we have made some revisions to the Elementary Teacher job description. These revisions were made after 2 years of curriculum/design committee work involving teachers, parents, community members, and administrators from throughout the district as well as review of similar job descriptions utilized in STEM schools in the country.

Approving these revisions and publication of the same will allow potentially interested staff to participate in courses, workshops, webinars, etc. in order to prepare for the hiring process this coming year.

RECOMMENDATION:

The administration recommends that the Board approve the job description for STEM elementary school teachers.

INITIATED BY:

Monica Nelson, Associate Superintendent

Date: July 19, 2016

Patrick Nelson, Superintendent
