

Middle School Board Report

April 2024

Spring Fling a Big Success!

On Friday, March 8th students were invited to stay after school and “dance the night away”! The Student Council hosted a dance for students in grades 7 and 8. Students enjoyed dancing and being in the company of friends from 3:30 to 5pm in the High School Cafeteria which was decorated for the big event!

The general consensus is that it was a huge success and was the first dance that has been held in the middle school for almost 15 years!

Music Department Showcase

Students in both choir and band had the opportunity to showcase the musical pieces that have been worked on in class for the past few months. Choralfest and Band-o-Rama were held on separate nights, however, both nights provided the audiences with excellent entertainment. It is an exciting time for the 5th grade to be part of a concert for the first time and the Music Department as a whole to work collaboratively with all Middle and High School students!

On Tuesday, April 2nd, four members of the Lion Heart Experience shared a valuable message for students in grades 6-12. The message focused on a strong sense of self-worth directed at staff and students alike. The presentation was engaging and incorporated music, story telling and visual effects.

STUDENT COUNCIL FUNDRAISER

The Middle School Student Council hosted a fundraiser leading up to spring break. Students competed in a “coin war” raising just shy of \$500. The money raised was donated to a local non-profit organization, Kinship of Polk County.

The winning homeroom received a donut party!

Mr. Miller's homeroom raised the most money and won a donut party!

STUDENTS OF THE WEEK

	5TH	6TH	7TH	8TH	E TEAM	
March 1						AUTUMN AHLGREN JOSEPH KERBER JACOB HOLDT KYLA WENGE OLIVA SMITH
March 8						LUCAS LIVINGSTON LOLA POULIOT LILLIAN WILSON EVELYN HUGHES ELIZABETH DEWITT
