

Medford Public School
ISD #763

Science Fair

February 26th The projects will be displayed and judged in the afternoon in the commons. The awards ceremony will take place at 6:30 p.m. in the auditorium

Coordinators: Mrs. Ness/Mrs. Hansen

Participants: Anyone in grades 1-6 can participate in our local science fair. Students in grades 4-6 have the option of entering their project for the competition. This means they have a chance to go to the regional science fair in Mankato.

Spelling Bee

In-House Staff Development

Ms. Ridenour presented to staff on Schoology and I-Pad basics

Community Education

Winter classes have kicked off. Cheerleading, Spanish Club, and Art Club lead the way with very good numbers. A ski trip led by Mrs. Thursby is also a go for January 31st.

Spring is around the corner so we are planning baseball sign-ups in conjunction with the Diamond Association and Owatonna Park and Recreation for the first part of March.

*Next month I will have an update on Preschool/ECFE as well as Tiger Club.
