UNITED INDEPENDENT SCHOOL DISTRICT AGENDA ACTION ITEM

TOPIC: Consideration for Approval of Modified G/T Transportation Services Recommendation

SUBMITTED BY: Juan A. Molina, Ricardo Rodriguez, & Ricardo Molina OF: Board Members

APPROVED FOR TRANSMITTAL TO SCHOOL BOARD: _____

DATE ASSIGNED FOR BOARD CONSIDERATION: April 22, 2009

RECOMMENDATION:

Staff recommends modifying the recommendation to eliminate transportation services to transfer students attending the four Gifted and Talented Magnet Schools. The modified recommendation is to phase out these services over a two year period.

RATIONALE:

Students currently enrolled in these programs did so with services available. Completely eliminating these services at the end of the current school year would result in hardships for the parents. After meeting with parents, phasing out of these services over two years seems acceptable. This plan would still result in a cost avoidance of over \$97,000 in the first year of the plan.
