

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 19-Apr-10

Agenda #

Staff/Administrator: Patty Dickens-Turk

Superintendent: Dan Huber-Kantola

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Keeping with one of Superintendent Huber-Kantola's sustainable goals of district-wide implementation of Positive Behavior Supports (PBS), I feel it is important for the board and public to gain knowledge about what is happening in our schools in support of PBS incentives and interventions. Therefore, I propose to present a brief Powerpoint presentation highlighting what our schools are putting into practice to assist in improving student behavior.

Provide history/background information on your proposal.

After seeing improved student behavior at Fleming Middle School after implementation of the Positive Behavior Supports program, other district schools sought to emulate Fleming's success. In 2006 -07 other Three Rivers schools developed PBS teams and attended trainings. When Dan Huber-Kantola was hired as superintendent he established four goals for improving what is happening in our schools. One of those goals was to establish a PBS program in all of the Three Rivers schools. After two years, although schools are at varying stages of implementation, the activities and strategies they employ is note-worthy and should be shared.
