PLEASE SHOW YOUR SUPPORT FOR WILLIAMS ELEMENTARY BY ATTENDING THE THREE RIVERS BOARD MEETING THIS MONTH. IN SUPPORT OF SAVING THE VIABILITY OF WILLIAMS ELEMENTARY COME WEARING OUR SCHOOL COLORS OF RED AND BLACK!

Williams Elementary School Kindergarten Launch

Thursday, March 2, 2017
@ 6:00pm

Dear Families of Future Kindergarten Students:

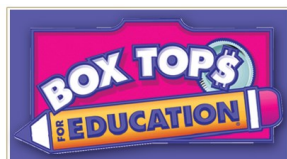

On **Thursday, March 2nd @ 6:00PM** at Williams Elementary School, we will be gathering the newest Pioneers and getting them registered so they can Launch into Kindergarten! We will have an orientation program for parents and activities for the children. Families are also welcome to join the fun at our Family Literacy Night. Dinner is included and begins at 5:30pm.

In order to attend Kindergarten next year, a child must be five years old on or before September 1, 2017. Please bring the following items: **child's birth certificate, proof of residency, and record of immunizations to the meeting.** If you do not have a copy of your child's birth certificate, you will need to order one from the birth state. (It can take six to eight weeks to arrive.) A copy of the birth certificate is essential before school starts in September but please come to Kindergarten Launch to register even if you are waiting for any of the required documents.

If you are unable to attend Kindergarten Launch, you may stop by the school office after **March 2nd** to complete the registration. Please call Mindi in the office at 541-846-7224 if you have any questions.

Please collect and save your **Box Tops** and turn them into the library. With your help we can earn great things for our school! Please write your students name on the back of each box top as they go into a drawing each month for prizes!

Coming Soon!!

Online Registration for the
Fall

I will be sending information home soon on how to sign-up and view your student's information online.

We are moving toward online enrollment registration for the fall

TEACHER'S CORNER

During the month of February, science has been the focus at Williams Elementary. ScienceWorks came to present Science Inquiry with all of our K-5 classes. Students learned about Ramps and Rollers. They learned how materials, texture, and size effect the distance the rollers jump off the ramp's end. Afterward each child went through the Science Inquiry process.

Love and Engineering was in the air in Mrs. Agnifili's K/1 class. Students built elaborate Valentine boxes to store their coveted Valentine cards.

The third week of February Pacifica a Garden in the Siskiyou brought the **Caterpillar** trailer to Williams Elementary to present Pollination. Each class rotated through the trailer learning about the important role that bees and butterflies have in our community.

Despite all the cold and snow and Spring seems far away our School Garden is off and running with a new coordinator, Sarah DeVore Ayrsmen! Sarah will be coordinating with all of our teachers to bring classes out to the garden. Her goal is to collaborate with classroom in teaching the benefits of hands on learning with the combination of proper healthy nutrition. Sarah will also be coordinating a **GET OUR GARDEN READY VOLUNTEER DAY** on **Wednesday, March 1st**.

Please come and join Sarah after school from 2-4pm to prepare our school garden for spring planting. Garden beds are weeds need to be pulled. rakes and help Sarah dig in

just waiting to be turned and Bring your gloves, shovels, and the DIRT!
