Subject: Spanish RLA Curriculum Pilot

Background Information:

The AISD Board previously approved the use of Bluebonnet RLA curriculum as part of the LASO Cycle 3 grant. Because we have bilingual classrooms, we need access to the Spanish version of these materials. For the 25-26 school year, the only way we can access these materials is by becoming part of TEA's pilot program.

Fiscal Implications:

If we need to order any print materials not covered through the pilot, we can use funds from our Strong Foundations Implementation Grant. There may be some printing costs to make sure teachers have their materials in time for training sessions. Again, we can access the Strong Foundations Implementation Grant.

Administrative Recommendation:

Approve our participation in the pilot.
