RE: Discussion of Board of Education Representatives

BACKGROUND

The Board of Education members can serve as representatives of our school district on other organizations and community groups. This representation is beyond the standing Board committees, school district committees, and the SASSED Governing Board Representative(s).

SUMMARY.

The Board of Education does not need to vote or have a formal process for deciding which Board member is a representative with an outside organization.

Currently, it is helpful to have a Board member serve as a representative of the following organizations:

- ☐ Legislative Education Network of DuPage (LEND)
- ☐ DuPage Division of the Illinois Association of School Boards
- ☐ Benjamin SD25 PTA
- ☐ Benjamin SD25 Educational Foundation for Excellence

There are also possible community organizations such as Intergovernmental Groups that request to have a member of the elected Board of Education serve. If these opportunities arise, the Board of Education should consider involvement.

RECOMMENDATION(S)

I recommend that any Board of Education member interested in serving on one of these four current organizations that they share their interest with the Board. The Board should reach consensus on final representation.
